

CIAME 2015 Qingdao: **favaro 1937** landed in Cina.

At the China International Agricultural Machinery Exhibition, international exhibition of agricultural machinery China, from 26 to 28 October 2015 in the city of Qingdao, **FOR.AGR. SRL** defending brand **favaro 1937** participated exposing its range of sprayers for vineyards and orchards, and sprayers for crops protection in open field.

The stand of **FOR.AGR.SRL**, present at the fair along with the Chinese partner **BKP**, has captured the attention of visitors and industry professionals interested in high quality and high technological level of the products presented.

The large number of visitors and the interest shown for products **favaro 1937**, as well as being a source of pride for everyone in the company, has strengthened the commitment of **FOR.AGR. SRL** in the Chinese market.

The collaboration with partners **BKP** expected production in China of all machines intended for that market, at the production site of **BKP** in LinYi.

There is an advanced stage of developing a range of sprayers and nozzles, specific for this market.

The decision to deal with in a determined and specific market as challenging, as well as being a fascinating challenge, confirms and amplifies once again, the international vocation that combines the tradition of the brand **favaro 1937** the will of the innovative new company and all staff **FOR.AGR. SRL**.
